CHILDREN IN WAR TIME.

Miss Ruth Kribstock of Bethel Lympus Third Article-How Canada Takes Care of Soldiers' Children.

Washington, June-How Canada provides for the wives and children of her enlisted men is described in a report by Mr. S. Herbert Wolfe of New oYrk, prepared at the request of the secretary of labor and just published by the children's bureau of the U. S. department of

In presenting the report, Miss Lathrop, chief of the children's bureau, says:

In the 50 years since the Civil war, legislation affecting the family and its economic status has shown marked growth. Mothers' pension laws and minimum-wage laws are recognized examples, and it is acknowledged that their result has not been to pauperize but cemetery a beautiful Barre granite mondistinctly to improve the power of the family to protect itself. In view of this tendency it is to be expected that a system of compensation for soldiers and sailors can be developed whereby the last Tuesday at the home of S. A. Hutch- government will make possible for their inson and report a very enjoyable time. children the home life and parental care which are the common need of every

The report points out that in Canada two notable elements have been added to the government provision for soldiers terest. and their families: First, insurance on the lives of the soldiers is carried by various municipalities, and, second, the Dominion has undertaken as a part of Miss Alice Blodgett of Brookline, Mass., Marguerite Hutchinson, Miss Esther its military system the re-education, in Dean Blodgett of Barre and Master Hugh | Flint of Randolph, Vale Godfrey of Beth- a suitable occupation, of the disabled McLean of St. Johnsbury were at their el, A.
